

## PERSONAL PROFILE

I am a determined, creative and result-oriented individual with various knowledge and experience seeking a position as a photographer with a company/organization, where I can demonstrate my skills, professionalism and talent by undertaking new and challenging tasks and assignments.

## KNOWLEDGE/SKILLS

- Knowledge of Photoshop CS6 (Colour management, Image Editing, Digital manipulation, and Image restoration), Illustrator and InDesign.
- Good knowledge of digital photography and traditional photography (35-mm, medium and large format).
- Excellent knowledge of studio lighting equipment (used Bowens, Elinchrom, ARRI, and Strobe).
- Strong communication skills and organizational skills, including working to deadlines.
- Skill in archiving photographs in traditional way, as well as digitally, using computers.
- Strong photography research and analytical skills.

## EXPERIENCE

- Have successfully completed photography assignments that required planning and following-through, producing results that meet set objectives.
- Have experience in digitalizing images from film (used various pro scanners), printing (C-Type and Giclee prints), producing publications (researched and experimented with different types of photo paper).
- Carried out complex photo shoots involving varied types of lighting effects (in studio and on location), thereby gaining knowledge and experience about different lighting conditions.
- Have assisted Jonathan Pollock (Studio and location Still Life photographer), Erroll Jones (Social and reportage photographer), and Rob Clayton (Editorial photographer).
- Being freelance photographer produced images for various clients, such as charity organizations, stock photo agencies and libraries, and private clients.
- Have been working on and completed a number of personal projects (studio and location).

## EDUCATION

- 2009 – 2013 BA (Hons) in Media Production (Photography) from Farnborough College of Technology.
- 2004 - 2007 Diploma in Travel, Tourism & Hospitality Management (ABE Foundation degree).
